Her sweet tooth

Reese recently took son Deacon on a date to SusieCakes, a retro-chic Brentwood bakeshop known for all-American classics such as red velvet cake, banana pudding and apple pie. She sampled the whoopie pie (right), while Deacon had a cupcake (\$5 for whoopie pie, \$3 for a cupcake, susiecakesla.com, 310-442-2253).

How to
live like...
